

Making a Science Web

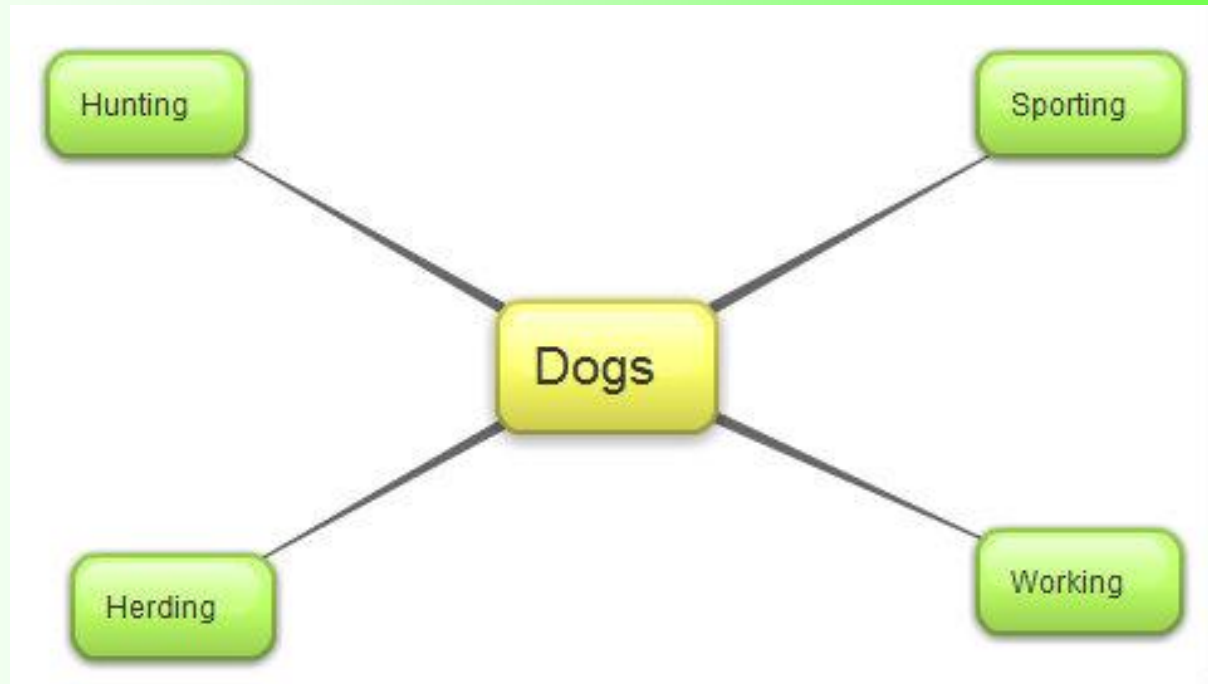

Review 1st
Semester using a
Mind Map

What is a mind map???

- According to Wikipedia, a **mind map** is a diagram used to represent words, ideas, tasks, or other items linked to and arranged around a central key word or idea.

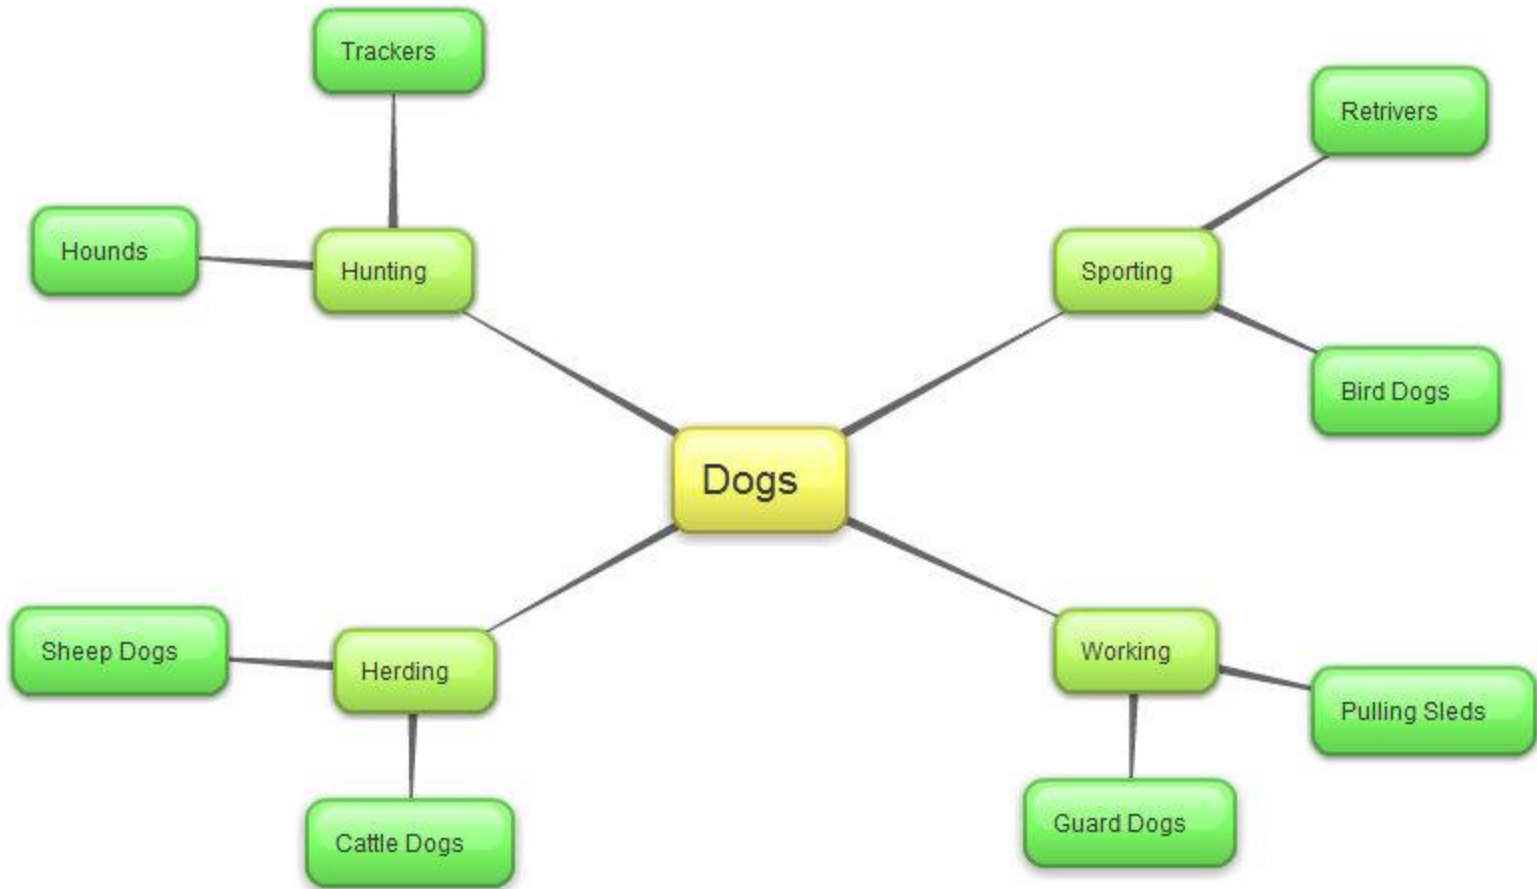

I wanted to do a mind map about types of dogs by their job/purpose.

Then the actual breed of dog in each category.

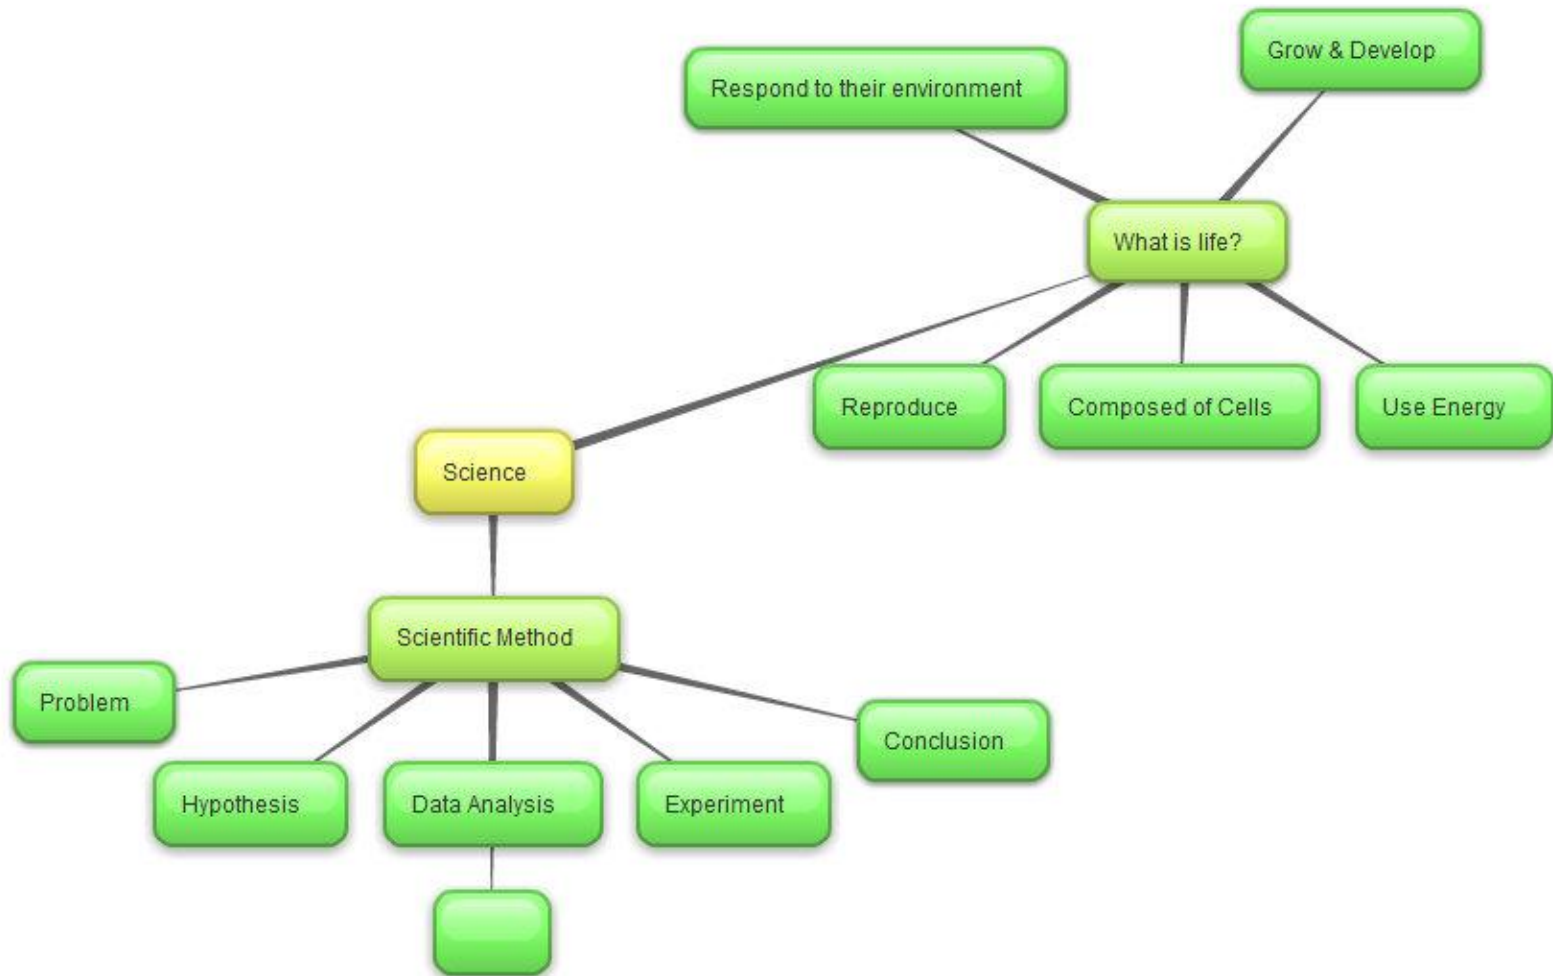

Science Web Assignment

- You will review what you have learned first semester.
- Create a web or outline of what you learned last semester.
- Use your notes.
